CHRISTMAS TRIAL 28 DECEMBER 2022, DALTON WOODS - RESULTS

Best A Class: Roger Bou - 20

Best B Class: David Bell - 32

Best Twinshock: Kevin Chapman - 37

Best Youth: Chris Sainter - 62

Best Easy Course: Ray Crinson - 12

It was a freezing, drizzly day for both competitors and organisers. Many many thanks to the Observers, who stood in freezing wet conditions to mark the scores. Unfortunately the score sheets were sometimes illegible (especially Section 1) owing to the wet conditions. Equally some of the entry forms were difficult to make out - apologies for any mistakes with names. In addition there was a mix-up over some of the rider numbers, so some people's marks may not have been accurate and were estimated.

The muddy conditions were a challenge for even the best riders. Many thanks to Greg and Leigh, who had to scramble to make last-minute changes due to the appalling weather and rising river levels, which blocked access to the island. Special thanks also to Duncan, who crawled off his deathbed to act as Secretary of the Day, and also observe.

Many riders said how much they enjoyed taking part, despite these setbacks.

Finally, CTC would like to wish you all a very Happy New Year.
